UK Veterinary Diagnostic Lab, Lexington, KY - Cost Share only
for UK disposal fee, and only if farmer transports animal to the lab.

Program Guidelines

- Farmers can use any of the above approved Woodford County pickup businesses, or transport the carcass themselves to a composting facility, and receive **\$100** in cost share for your pickup.
- Farmers must pay the pickup business **IN FULL** at the time of pickup and then turn in their pickup or compost facility receipt to the Woodford County Conservation District for cost-share payment.
- A farmer will be reimbursed 30 – 60 days after turning in a receipt.
- Cost-share for pickup of farm livestock and horses from Woodford County farms only.
- This year's program will start July 1, 2022 and end June 30, 2023 or until funds are depleted (Wildlife not valid for Cost Share)
- **Limit of 20 head per year per producer, unless case of natural disaster**
