UK Veterinary Diagnostic Lab, Lexington, KY - Cost-share only
for UK disposal fee. Farmer must transport animal to the lab.

Program Guidelines

- Farmers can use any of the above approved pickup businesses, or transport the carcass themselves to a composting facility, and receive **\$125** in cost-share for your pickup.
- Farmers must pay the pickup business **IN FULL** at the time of pickup, and then turn in their pickup or compost facility receipt to the Woodford County Conservation District for cost-share payment.
- A farmer will be reimbursed 30 – 60 days after turning in a receipt.
- Annual program starts July 1 and ends June 30 or until funds are depleted. For properties in Woodford County ONLY. Wildlife not valid for cost-share.
- ***Limit of 20 head per year per producer, unless case of natural disaster***
