Woodford County Conservation District

Community Conservation Education Grant

The Woodford County Conservation District provides a community conservation education grant to further extracurricular conservation and conservation education initiatives in Woodford County. The maximum award amount is \$500. This grant is intended to help fund efforts by organizations and community groups that provide direct conservation benefit or further public education related to conservation.

Grant guidelines are as follows:

- A completed application, project description and proposed budget is required **by March 20th, 2026** for consideration.
- All purchases must be made before **June 1st, 2027**.
- Purchase receipts and a written description of the project outcome(s), with accompanying pictures, must be submitted no later than **June 15th, 2027**.
- The applicant grants the WCCD permission to use any project photos submitted for education and outreach purposes.
- Grant money will be disbursed, on a reimbursement basis, after receipts and evidence of completion are received by WCCD office staff.
- Any items purchased through this grant must be maintained/secured on the property of the applicant (unless they are consumable/one-time use items used for an educational event or activity).
- It is strongly preferred for grant recipients to have previously attended at a workshop, resource fair, Earth Day celebration, annual farm tour or other event sponsored by the Woodford County Conservation District as participant or presenter.

Deadline: March 20th, 2026
